

**WRAPPING**  
PERFORMANCE AND INSTALLATION BY  
THOMAS DE FALCO

WITH A FUSION OF TRADITION AND AVANT-GARDE, TOD'S PAYS TRIBUTE TO CRAFTSMANSHIP BY PRESENTING *WRAPPING*, BY THOMAS DE FALCO. THIS ARTIST, FAMOUS FOR HIS KNOTTED BANDS, GIVES AN EXPERIMENTAL PERFORMANCE ON FRIDAY 24TH FEBRUARY AT THE PAC IN MILAN, WHERE HE WRAPS LEATHER ON SKIN, ON THE BODIES OF A SELECTION OF MODELS.

WHITE AND BROWN LEATHER KNOS ARE AT THE CENTRE OF *WRAPPING*, THIS NEW PERFORMANCE BY DE FALCO IN WHICH HE REVISITS THE ANCIENT ART OF LOOM WOVEN TAPESTRIES.

AN ENCOUNTER BETWEEN ART AND CRAFT, BETWEEN AN ARTIST WHO HAS TURNED MANUAL SKILLS INTO AVANT-GARDE EXPERIMENTATION AND THE HISTORY OF A BRAND THAT CARRIES FORWARD ITS TIMELESS ELEGANCE IN LEATHER, IN A CONTINUAL ELABORATION OF THE *HAND MADE*.
