

Drum the beat ladies and gents, as  
Anna Dello Russo proudly presents  
A one-off collection full of cheer,  
For Christmas time is nearly here;  
A limited edition extraordinaire  
With circus inspo everywhere!

Stars, stripes and diamonds in formation,  
Stir your amazement and fascination  
Plumes and glitter, noses and mouths,  
A treat for the eyes without a doubt!  
From inside out, surprise details peek  
And we've got charms, all tongue-in-cheek.

A loafer's smiling up at you  
And that sneaker's winking too!  
The Double T has been revised,  
The iPhone cover is sure to surprise  
A baby elephant's ready to fly,  
Special packaging is sure to catch your eye.

Added to this wondrous show  
Is a special video:  
And that stunning clown seen starring  
Is supermodel Barbara Palvin!

#todslovescircus it's official!  
This is fun on a whole new level!

At the Tokyo Omotesando store  
We're making festive plans galore  
And we'll celebrate in November  
With a grand party to always remember,  
Amidst the blue, gold and flame,  
That "prestige" can also mean a game.
